BY-LAWS.

SECTION 1. All persons in good standing as active members, and all honorary members of the Sacramento Society of California Pioneers at the date of the incorporation of said society are hereby elected to same relative positions in this incorporation.

SEC. 2. *Applications for Membership.* The fee for initiation shall be one hundred dollars. No application will be considered unless the initiation fee and dues for the current year accompany it. Application for membership shall be made in writing, stating the name in full, age, birthplace, profession or business, whether married or single, the place from whence the applicant emigrated, time of departure, the route of travel, the date, month and year of arrival in California, and having been elected and signing the Constitution and By-Laws, he will have become a member.

In addition to the annual dues, every member of this society, save life members, shall be assessed the sum of twenty-five cents upon the death of a member, to be collected at the same time and in the same manner, and failure to pay shall subject the delinquent to the same penalty as the annual dues.

All dues shall commence on the first day of January of each year.

At the regular meeting of the society in November of each year, the Secretary shall read the name of each member who has not paid his dues for the current year, and within ten days thereafter he shall notify each delinquent in writing that if he is in arrears on the last Saturday in January following, his membership will cease.

At the regular meeting in December, the names of all whose dues remain unpaid shall be read for the second time, and at the regular meeting in January all remaining shall be read for the last time, and the President shall announce to the meeting that they have ceased membership.

Any person who has ceased membership for non-payment of dues may make application in writing for reinstatement, and the application must be read at a regular meeting, and lay over until the next regular meeting, at which time the applicant shall be balloted for with ball ballot, and if three

or more negative ballots appear the application shall be rejected, but if less than three negative ballots appear, the applicant shall be admitted upon payment of such sum as was unpaid at the time he ceased membership, in addition to all intervening dues; *provided*, that if such delinquency and intervening dues amount to a greater sum than that required from a new member, then the applicant may be reinstated upon the payment of the initiation fee and dues of current year.

SEC. 4. Upon the death of any member in good standing, the Secretary and President shall draw a warrant in favor of the family of deceased for the sum of seventy-five dollars, and pay the same to them; and in case the deceased leaves no family, the President shall in his discretion authorize the payment of a sum not exceeding seventy-five dollars for funeral expenses.

SEC. 5. *Honorary and Life Members.* Any person who may have rendered any distinguished or important services to this society, the State or the United States, may be elected an honorary member, but shall not be entitled to vote. Any active member who shall pay the sum of fifty dollars shall become a life member, entitled to all the privileges of the society, and be exempt from yearly dues; and any person, on being admitted a member of the society, may become a life member on the pay-

SACRAMENTO, March 31, 1877.

To the Board of Directors of Pioneer Hall and Library Association of Sacramento—GENTLEMEN:
At a regular meeting of the Sacramento Society of

California Pioneers, convened at Pioneer Hall March 31, 1877, your proposition of March 24, 1877, to sell to this society "Pioneer Hall Property," situated on the east side of Seventh street, between J and K streets, in the city of Sacramento, for the sum of twenty-nine hundred and fifty dollars (\$2,950), was accepted, and our President was ordered to cancel the mortgage on said property, and the officers instructed to make out and sign all necessary papers.

Attest: N. D. GOODELL, President.

[SEAL.]

ASA P. ANDREWS,
Secretary of Sacramento Society of California
Pioneers.

Pioneer Hall and Library Association.

At a meeting of Sacramento Pioneers, held on the 18th day of January, 1868, at their rooms, it was unanimously resolved to proceed to the election of five Directors for the purpose of incorporating the Hall and Library Association. The election resulted in the choice of I. N. Hoag, N. L. Drew, James McClatchy, G. J. Phelan, and N. D. Goodell, with a capital stock of ten thousand dollars, divided into four hundred shares, at twenty-five dollars per share to be held only by the society and individual members thereof.

The association was incorporated on the 21st day of January, 1868, for the purpose of erecting a hall, to be dedicated to the uses and purposes of the Sacramento Society of California Pioneers.

On the 29th day of June, 1868, the association commenced the erection of a building upon a site selected for that purpose on the east side of Seventh Street, between J and K Streets, under the superintendence of N. D. Goodell, architect, and was completed in November of the same year, at a cost of fourteen thousand dollars, including lot. The society held at that date forty-six shares of its capi-

tal stock. On the 17th of June, 1871, the society had increased its stock to two hundred shares; and on the 10th day of June, 1876, to two hundred and ninety-six shares.

On April 13th, 1877, the remaining forty-two shares were purchased by the society, and the Hall and Library Association conveyed to the society, by deed, all its interest in the property, real and personal.

Having accomplished the purpose for which it was organized, and having transferred all of its assets to the main society, it was, on the 18th day of June, 1877, disincorporated.

On August 28th, 1876, the society made further additions to its property by the purchase of the eleven feet adjoining on the south, together with the building thereon, giving the property a total frontage on Seventh Street of thirty-seven feet by eighty feet deep.

The main building, which is a two-story structure, contains a spacious basement for the incidental uses of the society. The first story is divided into rooms for offices and library room. The second story contains the main hall and ante-rooms.

The buildings produce, in rents, about thirteen hundred dollars per annum.
